

HOSA: FUTURE HEALTH PROFESSIONALS

Mission: To enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skills, and leadership development of all Health Science education students, thereby helping the student meet the needs of the healthcare community.

- HOSA–Future Health Professionals is the student leadership organization for Health Science Education. Founded in 1976, HOSA brought together students, teachers, and healthcare industry leaders to create an organization that is exclusively committed to healthcare.
- Since 1976, over 1.5 million members have benefitted from the mission of HOSA and the dedication of HOSA advisors. HOSA is the only CTSO that has shown 20 years’ continuous membership growth!
- Today, HOSA–Future Health Professionals remains committed to making a positive difference in the lives of students by developing their potential for premiere leadership, personal growth, community service, academic scholarships, and unique internships.

GOALS

Utah HOSA Goals for 2015-2016:

1. Seamless integration with Health Science Education and HOSA.
2. Increased opportunity for healthcare career exploration.
3. Enhanced leadership development.
4. Strengthen industry partnerships.

SERVICE

HOSA encourages Health Science students to provide community service through the adoption of goals and implementation of strategies related to the support of a national healthcare organization. The current national service project is the Leukemia and Lymphoma Society. HOSA members plan awareness, service and fundraising activities in support of the project.

TEACHING

HOSA brings relevance to the classroom through industry-based competitive events, HOSA Leadership University, and community service.

Utah HOSA members are engaged in a wide range of curricula (from foundation courses to specialty courses such as Emergency Medical Technician, Medical Forensics, and Biotechnology):
